FIREWOOD VENDING MACHINE

PERFECT FOR THOSE ALREADY IN THE WOOD BUSINESS

This system is perfect for someone already in the firewood business and in close proximity to **State or National parks** or any other large scale **camping operations**.

- The system can be sized to fit the available space and demand and can currently vend up to **79 compartments**.
- The machine structure is extremely robust, constructed of all steel, galvanized and powder coated.
- Options include 4G cellular connection for the POS system, encrypted card swipe or EMV chip readers with all available methods of **contactless payment**.
- Two way communication via an onboard cellular router is also available to **remotely take control** of the system for sales, system monitoring and override.

PROVIDES 24-HOUR A DAY SALES, 365 DAYS A YEAR!

This Solution is the quickest and easiest way to provide outdoor sales on the market at a superior price point and with the lowest operating costs.

- Proven to dramatically increase profits while eliminating employee involvement.
- Allows for 24 hours sales 365 days a year with no worry of product theft.
- **NOTE: WOOD SHAX is producing 100% ROI (Return on Investment) within 6 to 18 months depending on the location.**

To place an order or for additional questions, please contact us by email at info@hrivending.com, or call our office at (262) 679-1328.

FIREWOOD VENDING MACHINE FAQ'S

HOW BIG IS EACH UNIT?

Each module is 36 inches wide, 24 inches deep and 72 inches in height. The door opening is 15.5 in x 15.5 in and 22 inches deep.

HOW DO I KNOW WHAT COMPARTMENT MY WOOD IS IN?

The door to that compartment will swing open and the door number will appear on the customer display.

HOW MUCH DO THE WOOD MACHINES COST?

This is a modular system. The pricing is as follows:

- Master Module: \$4,100
- Add-On Module: \$2,200
- 2 module - 15 Compartment: \$5,900
- 3 module - 23 Compartment: \$7,900
- 4 module - 31 Compartment: \$9,900
- 5 module - 39 Compartment: \$11,700
- 6 module - 47 Compartment: \$13,500
- 8 module - 63 Compartment: \$16,900

WHAT'S INCLUDED?

Price includes 3-year parts and 1-year labor warranty, Eport G-10 Credit/Debit Card Reader and 4G Telemetry System, outdoor rated touchpad with customer/owner interface, Completely programmed and ready to install and operate, all required leveling and attachment hardware.

HOW DO ADD-ON MODULES WORK?

Add-on modules are seamlessly added to existing modules by a wiring harness. The master module computing software communicates with, acquires, and assimilates the new module(s) into the system and you are ready to vend. There are multiple configurations depending on customer demand and available space. Up to 11 modules can attach to the master module. However, we recommend a maximum of 6 modules (including master module) due to available space to set the machine.

For more info or to place an order, please email info@hrivending.com or call (262) 679-1328.
